The parking reserved for the Formula One Paddock Club™ car parking holders is Parking des Pêcheurs (98000 Monaco). Guests will then take a shuttle boat to the entrance of the Formula One Paddock Club™.

The Formula One Paddock Club™ parking sticker and the Parking des Pêcheurs card must be used together and must be prominently displayed on the windscreen. These passes will enable you to go through the various control points. The magnetic card will allow you to operate the main gate of the Parking des Pêcheurs. You will need this card for entrance and exit on both days. Once parked, please follow the Formula One Paddock Club™ signage to the pier where a shuttle boat will take you to the Formula One Paddock Club™ entrance.

Please take note of the closing times of the roads as well as the difficult traffic situation during the Grand Prix.

Please note:

- Since the Parking des Pêcheurs is an underground parking, COACHES will not be able to enter.
